

## Home Care Careers—Job Description

For online job boards

---

*Job Title:* Home Care Professional

Home care jobs in Oregon are in demand. Jobs are full-time, part-time or flex. No experience needed. Free training. Many benefits.

*Job Description:*

You help people in their homes. Tasks can include support with dressing, bathing, eating and transportation. You might also support people at their work and in their community.

There are different types of home care jobs:

- Homecare Workers: support older adults and people with physical disabilities
- Personal Care Attendants: support people with behavioral or mental health needs
- Personal Support Workers: support people with intellectual and developmental disabilities
- Personal Support Worker Job Coaches: support people with intellectual and developmental disabilities to succeed in their jobs.

Benefits include:

- Flexible hours
- Choose who you support
- Overtime and paid time off
- Health care and retirement savings options
- Free training and certifications to grow your skills
- Free one-on-one coaching to help you with the application process, connect you with clients and more.

\$20 per hour to start. Get raises as you work more and finish trainings.

People who speak more than one language are needed.

You must:

- Be 18 years old or over
- Live in Oregon or within 75 miles of where you work
- Be authorized to work in the United States
- Pass a background check

Home care careers fit your life. And they make a real difference in someone else's life.
